Hi, Joe- You probably have better contacts than me. Last time I requested a title report I just contacted Land Title. Do you want to request these? Or should Legal? This is the first I've heard about this. I'm out to the loop. Let me know. -Melisa

PS, I don't need to be on these emails. Just Kylie. Thanks!!

Sounds good. The attached is a newer esmt for the storm that crosses thru the property. We should be covered on the private portion.

Perfect – thanks. An FYI that apparently Lynn Gritton (gone today) knows where all aquatic easements that we have are located, and I asked her to gather them for me in a separate e-mail.

Thanks Joe.

Joe – this is the Penn Plaza area between Thompson and Pennsylvania Streets. I need copies of all easements in the area; specifically the easements that run through the extension of Marguerite, and also any easement we might have with either McConkey/Sesko, or DNR for the beach sewer. I believe the sewers on Thompson and Pennsylvania are fully in ROW, but if we have any easements for them I would need them as well.

This is actually a high priority as I need to respond to Ecology on this and we may get pulled into a lawsuit.

Thanks
